From: Saint Joseph's College

Date: June 30, 2017

Pursuant to the Worker Adjustment and Retraining Notification Act ("WARN"), we regret to inform you that Saint Joseph's College will terminate the employment of certain employees at its Saint Joseph's College campus whose administrative headquarters are located at 1498 S. College Avenue, Rensselaer, IN 47978. The Saint Joseph's College Board of Trustees has determined that the most viable option for the College's long-term success is the suspension of almost all of the College's current academic activities on the campus located in Rensselaer effective on the closing date of the spring 2017 semester.

This action will affect almost all academic activities located on the campus located in Rensselaer, IN, effective at the conclusion of the 2017 spring semester. Although not yet determined, this action may ultimately result in the closure of the entire college and if that will occur the college will provide information regarding that determination.

The Board has directed the Administration to undertake a study to determine the financial feasibility and practicality for developing a plan that would enable the Board of Trustees to remove the current suspension of almost all academic programs at the campus located in Rensselaer. The Administration's report and recommendations shall be provided to the Board of Trustees no later than June 30, 2019. While we hope that this action is temporary in nature, unless the report provides a viable option, this action is expected to be permanent in nature.

The employment terminations are expected to commence on April 17, 2017. The following extension has been granted:

Housekeeper	1	July 21, 2017
Senior Infrastructure Engineer	1	July 21, 2017
Deputy CIO & Dir of Infrastructure & Security	1	July 31, 2017

The College is working to schedule the remaining employment separations and will provide officials with at least 60 days' advance notice of subsequent separations when those schedules are determined.

Bumping rights do not exist for any of the employees being displaced. There is no union representative of the affected employees.
